

# GREAT TO MEET YOU!

## Jeannine Phillips, PA-C, MS

**Jeannine Phillips**, "Jeannie" to her patients, is a second career PA. She graduated from Marquette University with a Masters in Physician Assistant Studies in 2007 and began her PA journey in Mankato, MN in urgent care and family practice settings for four years. She then transferred to Sibley Medical

Center/Ridgeview to develop a blended nursing home and clinic practice. It was during this interval that she realized that her true calling was to care for the geriatric population while educating and supporting their family members. Jeannie joined Twin Cities Physicians in March 2016. Her previous career, as a teacher, brought her overseas to England and Thailand. She received her Bachelors in Music education, Chemistry and Physical Science Education from Saint Olaf College in 1987. When not at work, Jeannie loves directing her church brass group, traveling, working on home projects, gardening, landscaping, enjoying the outdoors, and riding her motorcycle.
